HOME INSTEAD BALLSBRIDGE

We would like to invite YOU for a chat and to discuss your interest in becoming a CAREGiver.

WHY SHOULD YOU WORK AS A CAREGIVER WITH HOME INSTEAD?

- Many Home Instead CAREGivers are students who would like a part-time work.
- Our flexible schedules mean that students can work around class time, or at weekends.
- If you like working with older people, you'll find the job extremely rewarding.
- We are a global company with world-wide recognition so the training and experience you get with us could help you to continue working in home care if you decide to move on from Ireland.
- You can get to meet new people in the community and the office.

WHAT KIND OF PERSON ARE WE LOOKING FOR?

- You are sensitive, reliable and responsible.
- You like to be around older people.
- You have a good command of spoken English.
- You should plan to live in Ireland for at least six months.
- Personal OR professional experience in caring for older people is preferable, but not mandatory.
